MONKEY MIA MARINE LIFE CRUISE

Step aboard Aristocat 2 in search of Dugongs,
Dolphins and other endangered marine life.

You may see dolphins playfully racing with the boat or acrobatically demonstrating their talent as we cruise to the Dugong Interaction Management Area to spot the ever shy Dugongs grazing on seagrass. Perhaps you'll be fortunate enough for one to pop up for a breath of fresh air and a photo opportunity. You may even encounter migrating whales, manta rays, loggerhead turtles, tiger sharks, sea snakes and other marine life as we cruise around nature's aquarium.

Dugongs are more active in the months of August – May, so when the weather is cool and some of the Dugongs move to warmer pastures, we search for the sponging dolphin. In nature's aquarium, you never know what sight or sounds the day will bring! That unpredictability and opportunity for surprises is a big part of what makes these adventures so memorable.

If you need to get those natural endorphins flowing even more, you can jump into the boom net for a great adrenalin rush – and an invigorating ocean salt spa. Or you can just kick back with a drink from the fully licensed Ocean Lounge Bar and enjoy the ride as you lose yourself in nature's music. Snacks and drinks available to purchase on board.

STEEP POINT

PRIVATE CRUISES

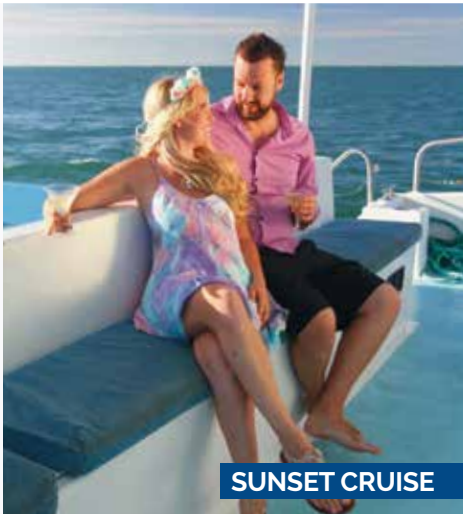

Spoil yourself and explore Shark Bay on a special private cruise.

Want to escape reality, go exploring, celebrate a special occasion, snorkel in clear, turquoise waters, catch a tasty feed of fresh fish, or just hang out on deserted beaches?

We can help create the ideal cruise for you, from a rapid romantic 1 hour cruise, up to 4 days live aboard cruise. Or choose from one of our 1-4 day Explore Shark Bay cruises, like Cape Escape, Discover Dirk Hartog & Steep Point Adventure - Australia's most westerly point.

Greg and Janine are local owners who have operated eco cruises in Monkey Mia and Shark Bay waters since 1997. Greg, the principal skipper on Aristocat 2 has great knowledge and experience with Shark Bay eco cruises since 1993. The passion and love they have for marine life and the Shark Bay World Heritage Area is shared enthusiastically by the crew.

*Child rates are for 16 year olds and under only.
 **Australian Senior Card holders.
